### EVERYONE DESERVES A DECENT PLACE TO LIVE

More than 30 years ago, the United Nations General Assembly took an important step in promoting the idea that everyone deserves a decent place to live by declaring that the first Monday in October would be World Habitat Day.

Every year Habitat for Humanity joins our partners around the world to rededicate ourselves to recognizing the basic right of everyone to adequate shelter. Habitat for Humanity asks everyone to join together as one global network in communicating the message that every one of us deserves the opportunity for a better future, and that a decent place to live can remove barriers to opportunity, health and success that might have been part of a family’s life for years, and in many cases for generations.

### MIND THE GAP

On 3 October 2022, the Global Observance of World Habitat Day, under the theme Mind the Gap. Leave No One and No Place Behind, will look at the problem of growing inequality and challenges in cities and human settlements. Habitat for Humanity of Clallam County is committed to providing affordable housing for families in our communities., and we invite you to partner with us to make home affordable.
